A warm welcome ...

With an age of 970 years, the heart of the metropolitan region is an attractive city where modernity and tradition coexist well. It is just as suitable for trade exhibition and congress guests as it is for culture- and experience-seeking tourists. In addition to the airport and exhibition centre, Nürnberg also boasts a romantic old town that contains everything you could possibly wish for: interesting shops, cosy pubs, inviting beer gardens and, in-between, charming squares full of historic buildings. The Nürnberg Christkindlesmarkt and Albrecht Dürer are just two of the city's numerous trademarks – along with the Spielwarenmesse.

The Kaiserburg, the large churches and the Handwerkerhof (Craftsman's Courtyard) are all among the city's "must-see" attractions, as are the city's impressive museums.

For discovering all of Nürnberg, the VGN (Verkehrsverbund Großraum Nürnberg) offers a broad and efficient network of transport links.

Your VGN ticket allows you to use about 1.000 bus and rail services: the underground, the railway, trams and buses or regional trains.

Additionally, on weekends, night owls can safely reach their destination with the attractive Nightliners and night regional trains.

Excursions to the neighbouring cities of Fürth, Erlangen or Schwabach are tempting suggestions. Or what about a trip e.g. to Bamberg, Bayreuth or Lichtenfels? We wish you a lot of fun during your stay in Franconia and a pleasant travel with the VGN.

Ideal for travellers: the NürnbergCard

The card is valid for 48 hours and offers a variety of advantages on the discovery tour in Nürnberg. Among others, it is available at the Tourist Information.
